VOLUME VI--TENTH ISSUE--FRIDAY--JUNE 15TH, 1951--BRISBANE--CALIFORNIA

IMPORTANT ANNOUNCEMENT

SO YOU THINK THAT BECAUSE SCHOOL IS OUT, AND BECAUSE THE BIG CELEBRATION IS OVER--BRISBANE WILL NOW BE PRETTY DEAD, DULL, AND DEVOID OF EXCITEMENT? NOT SO--NEIGHBOR! IN THE FIRST PLACE: WHAT ABOUT OUR YOUNGSTERS WHO ARE NOW OUT OF SCHOOL AND FREE TO GET INTO ALL KINDS OF TROUBLE??? PLEASE TAKE TIME OUT TO READ THE ENTERTAINMENT SCHEDULE PLANNED FOR THE RECREATION OF OUR YOUNGSTERS. YOU'LL FIND IT ON PAGE SIX OF THIS ISSUE. IT'S IMPORTANT. PLEASE READ IT.

AND THEN, WHAT ABOUT OUR TEEN-AGERS? ARE WE GOING TO LET THEM GET ALL FOULED UP WITH SUCH DANGEROUS THINGS AS MARIHUANA?? HAVE WE ALL BEEN ASLEEP AT THE SWITCH WHILE THESE THINGS HAVE BEEN GOING ON RIGHT IN FRONT OF OUR FACES?? OF COURSE, WE ARE GLAD AND THANKFUL THAT JEFFERSON HIGH HAS BEEN ABSOLVED OF ALL BLAME IN THIS MARIHUANA RACKET---BUT WHAT OF THE KIDS WHO WILL HAVE TOO MUCH TIME ON THEIR HANDS THIS SUMMER? WHERE ARE THOSE TEEN-AGE DANCES WE PROMISED THEM MORE THAN A YEAR AGO? WHY CAN'T WE REALIZE THAT ALTHOUGH THE LAST YEAR'S CROP OF "WANDERING & WONDERING" KIDS ARE NOW IN THE SERVICE--AND SOME OF THE GIRLS ARE MARRIED AND HAVING FAMILIES OF THEIR OWN--WHAT ABOUT THIS YEAR'S CROP???? TOO YOUNG TO MARRY---TOO YOUNG TO JOIN THE SERVICES---TOO YOUNG TO VOTE---BUT OLD ENOUGH TO GET INTO TROUBLE! OLD ENOUGH TO NEGLECT, AND FORGET, AND IGNORE. LET'S GET THESE KIDS TAKEN CARE OF--AND NOW--NOT TOMORROW, OR THE DAY AFTER, WHEN IT MIGHT BE TOO LATE!

AND THEN THERE'S A DIFFERENT KIND OF TROUBLE FACING US. FIRE! THE FIRE SEASON HAS SNEAKED UP ON US ONCE AGAIN. LET'S NOT FORGET FOR ONE MOMENT THAT BRISBANE HAS BURNED TO THE GROUND TWICE IN IT'S HISTORY. WE NOW HAVE A WONDERFUL AND EFFICIENT FIRE DEPARTMENT--BUT WE CAN'T EXPECT THEM TO HANDLE THE JOB ALONE. IT'S TOO MUCH TO EXPECT OF TOO FEW! LET'S WATCH OUR BURNING CANS AND HELP THE FIRE LADDIES BY CLEARING THE GRASS AWAY FROM OUR OWN FENCES AND BUILDINGS. THIS WILL HELP PREVENT A DANGEROUS SITUATION WHEN THE BOYS GET AROUND TO YOUR NEIGHBORHOOD TO BURN OFF THOSE DANGEROUS VACANT LOTS. BUT--BEFORE YOU START BURNING INDISCRIMINATELY--PLEASE GET IN TOUCH WITH FIRECHIEF LOU TERRY OR FIRE MARSHALL SEISS FOR PERMISSION AND AID IN THE BURNING.

WELL, NEIGHBORS---NEXT WEEK'S PAPER WILL BE THE LAST ONE THIS MONTH. THERE WILL BE NO BYLINE OUT ON FRIDAY, JUNE 29th--BECAUSE YOUR THIRD CDD EDITOR IS GOING TO TAKE A WEEK'S VACATION. ANY IMPORTANT ANNOUNCEMENTS OR NEWS ITEMS YOU MAY HAVE WILL HAVE TO BE EITHER PRINTED IN THE NEXT ISSUE--JUNE 22nd--OR THE FOLLOWING ISSUE, JULY 6th. PLEASE HAVE ALL ITEMS IN EARLY IF YOU CAN.--YOUR EDITOR.

P.S. DON'T FORGET TO READ THE WESTERN DAYS NEWS ON PAGE FOUR OF THIS ISSUE!

Dear Reeces:

I decided I'd better drop you a line or two to let you know where I am now, so I can get my copies of the Byline---don't want to miss too many of them, as I enjoy reading them very much. I'm getting closer to home all the time, but it will still be a long time before I really get there. I left Japan on May 24th and came here to Pearl Harbor. I'm with a guard detachment.

I think I will be here for about 24 months or more. They have me working in the office now, and I haven't decided whether I like it better than standing on guard at the gate, or not. The sunshine sure feels good, so I went out laid in it last week and got a nice sun burn. This base is really nice looking.

I read in the Byline where some of the guys were home on leave or for the weekend. The lucky stiffs! There was an item about me in one of the Idaho papers, which was pretty nice, although they had one little mistake in it.

Got to be getting to "chow" now, so will cut this short. Hope you are all in the best of health, as I am---sincerely, MICKY HUNTER

Somewhere in Korea
May 25, 1951

Dear Reeces:

Just a line or two to let you know I just received your last issue of the Byline, and was happy to receive it. Well, news here is about the same, except that we put up the longest treadway bridge in Korea in record breaking time. It is 900 feet long, and it took us only 21 hours to build it. Now we are scheduled to build a bridge over some dam here in Korea.

Must close for now--in appreciation, -----Sincerely yours,

JIM RICE

LETTER FROM THE EDITOR: Guys, Jim and Mickey, for their nice letters. It is certainly interesting to hear about all those foreign sounding places you have been. We missed you all here over the Western Days Celebration this year. It seemed mighty quiet without you--all, podnuhs! And with most of us having friends or relatives in the service--just couldn't enjoy ourselves so much this year.

THE WONDERFUL PENNY--by Elizabeth Alice Theis--CHAPTER TWELVE:
(Synopsis: You will remember that small boy Bunny, lame and very poor, had found an imperfect penny, and because he too was "lame", decided to keep it instead of throwing it away. The penny suddenly grew into a little copper-colored man who showed his gratitude to Bunny by taking him to Fairyland, where Bunny met the Fairy Queen and witnessed a gigantic Parade of Christmas Toys. Now---go on with the story:)

And the participants in the Parade of Toys were all gathered here to celebrate. There was dandi and music and laughter and merriment. There was a huge spice cake with deep pink frosting which always caught Bunny's eyes--Pink Frosting!

There was lemonade from the Lemonade Fountain out in the palace grounds; there was chocolate from the Chocolate Falls in the woods close by.

As the merrymakers hailed the little earth lad to the banquet someone insisted he slice the huge pink cake. Was he not the guest of honor? Nuts and candies, orange and cakes, figs and dates, cookies and ice cream all up and down the sumptuous banquet table made Bunny's eyes pop.

Through eyes swimming with tears of joy Bunny found himself cutting the cake, as he noticed the famous characters of Fairyland smiling encouragement. Even the Penny Man blew a sonorous blast into a copper-colored handkerchief. His Granny, in spite of her shortcomings had often regaled him with nursery rhymes containing all these characters now facing him in the banquet hall.

Poor little Bunny was growing confused. He turned in a bewildered sort of way to the Penny Man sitting beside him. "Everyone in Fairyland must be here" he said. The Penny Man answered; "Every one whom imagination created is here."

In a dream of merry raillery Bunny found himself sitting on a mat as he sailed pell-mell down a chute, with the copper-colored Penny Man close behind. Next moment, Bunny landed with a thud, spraying tiny sand motes in all directions. He tried to rub some of them out of his eyes, and as he gazed forth again, he was looking at the familiar crack plaster of "home". Gone was Fairyland.

A knock sounded at the door. He called "Come in", and the door opened to disclose a finely dressed stranger in the entrance.

FROM JEFFERSON HIGH: ---

This Thursday night is a big

Hi--It's here at last; Graduation
Day! But when "Pomp and Circum-
stance" signals that it's time for
these grown-up youngsters to part
from their school-mates, the "tears
will flow like wine"--and the "big
guns" won't be so sure they'll
want to leave their old "Alma Ma-

Those from Brisbane who will
be going out to face the cold,
cruel world are: SHARON STORCH;
MARJIE VAN KIRK; DOLORES JACKSON;
CAYLE HUTCHINSON; PRISCILLA GREEN;
FRED PERAZZA; DICK FIRTH; MANSSELL

HANK SCHMIDT; BARIANA KYLES; AND
PEGGY SAUNDERS, some of whom don't
live here anymore--but are well-
known in Brisbane. ALL of them
are OUR KIDS grown tall--so we
wish ALL OF THEM the best of every

JEFF HIGH GRADUATION EXERCISES:

This Thursday night is an
exciting event and a BIG day in the
life of more than a hundred Seniors
graduating from Jefferson Union
High School this year. Absolved of
all blame in the recent Marijuana
scandals, these young men and women
faced not only the suspicion of
the entire nation--but that of their
parents, teachers, and classmates
as well. Getting a clean slate from
the authorities just a few days be-
fore graduation, left these young
men and women exhausted and nervous
and facing one of the biggest nights
of their lives--GRADUATION! But
knowing these young people as we
do--having been young once our-
selves--we feel that when "POMP AND
CIRCUMSTANCE" marching music is
played, the young people will be the
beautiful young men and women they
really are--so--The Byline and staff
wish them ALL THE LUCK THEY NEED!

EIGHTH GRADE GRADUATION PARTY:

The walls of the auditorium resounded last Thursday night with mirth and rythm as the eighth graders had their last fling in the Brisbane Elementary School. Mrs. Louis Duncan gave a piano recital, and then the graduates danced to music by Orrie Facchini on the accordion and Sam Piazza on the Drums. Byron Berkely, master of ceremonies gave a speech thanking teachers and the Brisbane P.T.A. for their kindness to them. Diplomas and caps were awarded to Miss Lipman, Miss Barry, Miss Rice and Mrs. Edwards in a mock graduation. The tables were resplendent in blue and gold. Mrs. Eric Koster was responsible for the favors and table decorations, as well as the scrolls, etc., which added to the success of the party. The evening was enjoyed by all the graduates, who went home full of salad, sandwiches, cake, and cokes.

On Wednesday morning, June 6th, our Kindergarten had it's graduation exercises. Miss Lois Barry, school principal, awarded diplomas to some 40 tots, after which they enjoyed ice cream and cupcakes.

LADIES OF THE PTA SOFTBALL GAME:

Despite groans and grunts, the ladies of the P.T.A. played softball for Brisbane's Western Days celebration last Sunday morning, finishing with a score of 11 to 23. It was difficult to concentrate on the game because of the hecklers in the audience, namely Dick Hoskins and Runt Trantham--dressed as a lady (?) and an old man of the mountain. They were seen carrying some of the lady ball players from base to base when their muscles failed them. A lot of fun was had by all!

(THE ABOVE FOUR ARTICLES WERE SUBMITTED BY HELEN HUGHES, PTA PUBLICIST)

NOISY EARTHQUAKE: The earthquake, which had been scheduled to hit The San Francisco area on Sunday morning hit all right--but 3000 miles away. It shook parts of three states Mass. Conn. and R.I. on the east coast.
